## Report of Principal and School Improvement Council

Rafting Creek Elementary School serves students in grades pre-kindergarten through grade five. The current student enrollment is 191. Of those students, there are 85 males and 106 females. Our school continues to provide a quality education for all students in an environment where children feel safe and enjoy learning.

An essential component to a school that promotes academic excellence is having highly qualified teachers and a dedicated staff. Rafting Creek's staff is comprised on 20 certified staff members, 84.6% of which have advanced degrees, and 16 classified staff members. Our staff continues to participate in professional development opportunities; such as Professional Learning Communities and Building Data Teams, to enhance professional skills that will in turn, increase student achievement.

Rafting Creek's curriculum is driven by Common Core State Standards in math and ELA , South Carolina State Standards in science and social studies and test data for all grades. Our instructional strategies and activities, clearly defined goals and objectives, and evaluations and assessment are an integral part of our initiative to increase student achievement performance. We continue to implement Measures of Academic Progress (MAP) for grade two through grade five to specify the academic skills each student has mastered and identify the skills needed to accelerate learning.

Title One funds are used to enhanced our curriculum by funding extended educational opportunities; such as, the After-school Tutoring Program and Success Academy Program. Both programs are offered to students in grades three, four, and five. These enrichment programs provide effective support to motivate, teach, and challenge students to be successful.

At Rafting Creek, our students are learning the value of helping others through many service learning projects such as Relay for Life and Heart Walk. Also, our school's Character Education program strives to integrate good character traits throughout the school, as well as into the community. Character traits are a daily focus of both students and staff members. We realize that these values are personal qualities that build a foundation for success in life.

Parental and community involvement are a vital part of our school. We continue to solicit involvement through our Parent Teacher Organization (PTO), School Improvement Council (SIC), Parent Education Fair, and invitations to attend school events.

Ida Barboza, Principal

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.3</b>
<b>Overall Grade Conversion</b>	<b>B</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**
